## THE PATRON OF THE COLLEGE

**St. FRANCIS DE SALES**  
(1567-1622)

St. Francis de Sales, the Patron of the college, is a revered figure whose blessings and prayers are sought by both students and staff. Every year, on January 24th, the college celebrates his patronage. Born on August 21, 1567, in Savoy, France, Francis displayed early signs of spiritual awakening and a desire to serve God's people. His commitment, courage, and wisdom make him an appealing role model, especially to the youth.

Francis de Sales, known for his love of learning, spent time in reflection and shared his insights with others. He wrote not for the sake of writing, but to share his divine experiences with those in search of spiritual fulfillment. Even today, his writings continue to inspire millions of readers and hold significance for those seeking purpose in life. He is also the patron saint of journalists, as he exemplified the virtues of truth, justice, and eloquence.

Francis de Sales' cheerful demeanour and hopeful outlook on life have left an indelible mark. His words and writings carry meaning for those feeling lost or burdened, offering peace and light. His courage in the face of adversity and his selfless dedication to others serve as inspiration for all. He embodied compassion and lived a life of service. The college is privileged to have St. Francis de Sales as its Patron, invoking his blessings and seeking his guidance. His legacy of commitment, wisdom, and love continues to inspire and guide students and staff. As we strive to make our Mother India a better place to live, may St. Francis de Sales bless us and ignite the flame of love, truth and service within us.

# THE COLLEGE CREST AND ITS SIGNIFICANCE

The College Crest represents the sun, which is the source of light and heat, symbolizing 'Truth and Love' which is the motto of the college. The figures and the words on the crest inspire and motivate us to excel under the patronage of St. Francis de Sales, who is renowned in history for his vigorous fight for truth mingled with an ever loving heart.

The college's five principles as symbolized in the crest are as follows:

- “Upright Character” by the outstretched finger pointing upward.
- “Loyalty to Authority” by joined hands tilted forward.
- “Devotion to Duty” by the clenched hand.
- “Friendly Comradeship” by the handshake.
- “Social Service” by the palms opened downwards.

## THE COLLEGE FLAG

The flag of the college is represented by three colours:  
**Blue, White, and Red.**

Blue signifies the achievements of the mind.

White stands for integrity and nobility of character.

Red denotes physical fitness and power in sports.

These colors collectively embody the college's values of intellectual growth, moral uprightness, and a commitment to physical well-being. The flag serves as a visual representation of the college's holistic approach to education and the pursuit of excellence in all aspects of student life.
